

We will work from this basic kit, however if you are missing something on the day I will have some extra with me.

I recommend Evans supplies in Jervis street. (You can buy online and they deliver in Ireland [www.kmevans.com](http://www.kmevans.com)) I find them the best value and they have everything on the list. Ask for Nicola. Tell him you are coming to my workshop and he might even give you a discount

## **Art Supplies List**

### **An easel** of some kind

A tabletop easel. Free standing or the kind that also has a box for supplies is very useful. Here are some examples if you don't already have something

Winsor Newton Medway Table box Easel  
Winsor & Newton Windrush Studio Easel

### **Brushes**

Winsor & Newton Galleria Short Flat no 8, 12 & 14

### **Palette Knife**

eg,. Painting knife 1011 on evans website

### **Palette**

A Large plastic or wooden palette. A stay wet palette box and a large tear off wax paper palette. However just the tear off palette without the box or even a large flat plastic plate would do.

I recommended these but similar will do fine.

I recommend Zest it or Senniler 'Green for Oil', diluent and brush cleaner.
