

## **Art Supplies List**

If you would like me to supply everything for you, just let me know.

### **An easel** of some kind

A tabletop easel. I can supply one if you don't already have one or are travelling; just let me know.

### **Brushes**

Winsor & Newton Galleria Short Flat no 8, 12 & 14  
or something similar

### **Palette Knife**

eg. Painting knife 1011 on Evans website or something similar (not plastic)

### **Palette**

I love to use a glass platelet, but that may not be practical for travelling with. A Large plastic or wooden flat palette. A stay wet palette box and a large tear-off wax paper palette. However, just the tear-off palette without the box or even a large flat plastic plate would do.

### **Paint**

I recommended these

Winsor & Newton Winton 37ml Oil

Titanium white x 2 or get the 200ml size

Cadmium yellow pale or chrome yellow

Lemon yellow

Alizarin crimson

Cadmium red

French ultramarine

Cerulean blue

Sap green

Burnt Umber

Yellow ochre

Viridian Green

Winsor & Newton Galleria Acrylic

Burnt Umber 60ml

### **Brush cleaner/paint thinner.**

Turps is not allowed in the workshop space.

I recommend Zest-it or Senniler 'Green for Oil', which is diluent and a brush cleaner.

### **Canvas boards or panels**

small sizes - 6x6, 8x6, 8x8, inches get a couple of each size  
10x10, 10x12, inches get 1 or 2 of these.

I will also have some small canvases available to purchase.

### **Kitchen paper towels and/or Baby wipes Sketchpad Notepad/sketch pad and pen**

We will work from this basic kit; however, if you are missing something on the day, I will have some extra with me.
